

Baptist Health Volunteer Program

There is no greater role than serving others. While comforting a patient or giving a helping hand to hospital team members, Baptist Health volunteers make a real difference.

We offer a wide array of opportunities at Baptist Health such as:

- Baptist Health Inpatient Units
- Main Information Desk
- Critical Care Units
- Surgery Center
- Foundation Office and Events
- PACE Program

To give your time and talents to those in need is to truly live with a servant's heart. Volunteers provide crucial support for our vital services, programs and fundraising efforts. Whether you are a teenager or an adult, there are many ways you can be a part of our healing ministry.

Volunteer Requirements

- Must be 16 years or older
- Provide proof of COVID (not required, but preferred) and Flu vaccine (required)
- Must wear scrub top uniform
- Provide your social security number

If you meet and agree to the requirements above you can submit your on-line application at <https://www.baptist-health.com/volunteer-application/>
